ECF Membership

If you are not an ECF Silver or above member then you have to pay the £2.50 that the ECF charges us to grade your games so this must be added to your entry fee. To join at Silver level is £13 and we would expect all squad members to be ECF members.

General Information

Ages are calculated as at midnight **31st December 2019** to fit in with FIDE ages.

Clocks will be used on all boards in all events. All games must be recorded.

All players must play in their own age group. The U12 event is a qualifier for the England U11 Trial so a year 5 hoping to play (or playing) in the trial may enter U12. U9s and below must enter U10

The event is open to all players of a reasonable standard and is NOT solely for Squad players. A non- Squad player (AGED 12 OR OVER on 31\8 of the current year) who does sufficiently well can use the event as part of their qualification for the Squad.

Late Arrivals for any round

Players arriving after the re-pairing time of 30 minutes in all events may be deemed to have lost by default, unless the controller can pair them satisfactorily. Players whose opponents have not arrived must expect to be re-paired.

Withdrawals

Earliest notice please to Mr Peter Purland. A £3 administrative charge may be made from any refund of an entry fee.

The organisers reserve the right to refuse entry.
