

Supervision of Children

The organisers and their helpers cannot accept responsibility for juniors.

Children under the age of 8 years will not be allowed to participate unless supervised by a parent/guardian throughout the whole event.

Children over the age of 8 years may be supervised by an adult nominated by their parents (though this cannot be a coach). However, parents/guardians should note that they are still ultimately responsible for their children at all times and in all places during this event (including whilst their children are in session with a coach or playing a game during a tournament).
